**Subject:** Pasco City Council Meeting - Ecology Presentation on Pasco Landfill Cleanup Progress

Rick, Jim and Rod-

Just a quick FYI. Ecology and the PLPs will be making a presentation to the Pasco City Council on Monday July 14. We were asked to provide a brief update on the status of cleanup activities at the Pasco Landfill site – including an update on the recent efforts to extinguish the Balefill fire.

Join us if your schedules permit.

Thanks – have an enjoyable holiday weekend.
